

CORONAVIRUS: GENERAL INFORMATION & PROFESSIONAL RESOURCES

This document has general information about the novel coronavirus along with info that health care providers and others will find useful. Note that *many* of these resources have even more resources! See also

American College of Obstetricians and Gynecologists (ACOG) regularly has new information. Here are a few.

[Novel Coronavirus 2019 \(COVID-19\) Practice Advisory, March 2020](#)

ACOG Briefing, [Providing Safe Maternity Care during the COVID-19 Pandemic: What the Evidence Tells Us and How Congress Can Help](#) (this is a recording of the briefing held on April 16, 2020)

American Public Health Association (APHA) also regularly has new information. These are some we think are helpful.

[COVID-19](#)

[COVID-19 Webinar Series](#)

APHA and Public Health Awakened, [Crowdsourcing Resources](#) "on all things COVID-19, including MCH"

American Medical Association, [COVID-19 Health Equity Resources](#) (06/10/2020)

Association of Maternal and Child Health Programs, [COVID-19 Resource Page](#)

Center for Infectious Disease Research and Policy, UMN, [Novel Coronavirus \(COVID-19\) Resource Center](#)

Center of Excellence in MCAH, [COVID-19 Information Repository](#)

Centers for Disease Control and Prevention (CDC) regularly posts new and updated information. Here are some we find useful.

[Coronavirus 2019 Situational Summary](#)

CDC has launched a new [Weekly COVID-19 Surveillance Report](#)

Centers for Medicare & Medicaid Services (CMS) has many useful resources on its [Current Emergencies](#) page.

Child Trends is another place with some good info. Start here: [Supporting Clients in Under-resourced Communities During the COVID-19 Pandemic](#) (has a nice tip sheet)

Department of Health & Human Services (DHHS) has several articles on [Virtual Case Management During COVID-19](#).

Georgetown Center for Children and Families, many resources including information on MCH Medicaid policy; click [here](#).

HealthDay, [Follow COVID-19 on the Live Blog](#)

Kaiser Family Foundation (KFF), [Private Health Coverage of COVID-19 Key Facts and Issues](#). You'll find many related topics on the KFF [website](#).

March of Dimes, [Web Content on COVID-19 with links to CDC](#)

MCH Navigator, National MCH Workforce Development Center, [MCH Mini-Course in Resiliency and Adaptive Leadership](#)

Maternal Mental Health Now offers [consultation and support to perinatal mental health providers](#)

MedPage Today regularly has good articles about COVID-1. We show the ones we think are the most useful or relevant.

[FAQs about COVID-19](#)

[How Best to Help Patients Stay Insured During COVID-19?](#)

[Lack of Literacy a Barrier to Grasping COVID-19](#) (06/14/20)

Motherhood Center of New York is offering [COVID-19 related webinars](#)

National Association of Community Health Workers, [COVID-19 Resources - NACHW](#)

National Center for Families Learning, [Breaking Down the CARES Act](#)

Postpartum Support International, [Teletherapy & Perinatal Mental Health](#) - a new series to support mental health providers transitioning to virtual services

Vox is another resource that has new information on a regular basis. Here's one: [Why COVID-19 is worse than the flu, in one chart](#)

WebMD continuously has new resources. We're posting the ones we think are the most useful, helpful or just plain interesting!

[COVID-19 Can Start with Neurological Symptoms](#) (06/30/2020)

[As Summer Begins, CDC Updates Social Guidelines](#) (06/17/2020)

[Why We Don't Like Being Told What to Do](#) (06/17/2020)
